Finance

The meeting agreed, subject to IEOC approval, that annual subscriptions remain at \$35 (NZ). They are due now for the 09 year.

Helen has ASB statements which are available for perusal at any time.

Helen to circulate a/c number to membership for payment of subs.

1. Helen has circulated the reply to IEOC (NZ) queries that were sent to Jean Mitchell and forwarded to Catrin Norinder.

2. There will be an FEI Seminar at Taupo 09 for Officials as long as qualified personnel can be secured to conduct it. There is an FEI Stewards seminar in Australia in December 08. It is planned to have one in NZ in 09. Will keep everyone posted.

There being no other business under General, the meeting closed at 4.50pm

Karen Winn, with her husband, Joe Carr then gave an interesting and informative talk on preparations and progress on plans for WEG 2010. I have a funny feeling that their home paddock may turn into a little NZ!! 8 Disciplines, 60 Countries, 600,000 spectators, will have to be the biggest ever!!

Thanks guys, really appreciated.
