Office Bearers

IEOC(NZ) rep/Chair/ Sec/Tres. Helen Christie, nominated L. Roycroft, seconded R.Essex.

General Business

1 With Mrs. R Tebbit retiring from the FEI list, and being an IEOC(NZ)member we welcome her to our list of Honorary members for 2009.

2. We were fortunate in having Mrs. J Millar represent NZ at the recent IEOC meeting at Badminton. Jennifer gave a report. Safety was the big discussion point. She also outlined the measuring of oxers.

3. There was discussion regarding the forthcoming rule change regarding falls. The meeting felt that there should be concern about falls at practice fences.

4. Discussion about World Cup, and where it's heading.

5. Mrs. L Roycroft brought up the 'Page 5' on the FEI report form for events. We are not sure how this was introduced. There was some concern, about who fills what in, and 'personalities' becoming involved. Who gets to see this??(Jean, can you help answer this??). It was generally thought that

assessment of officials, while working, is positive, but it needs to be done by a highly skilled person who has some independence.

6. Discussion, on what is not in Eventing rules, and when it then goes to Dressage rules.

7. Following on from 6. Discussion on how officials generally felt about issues like, not wearing gloves, when the outcome is at the discretion of the GJ.

8. There are new FEI badges, Susan O'Brien, to source availability.

9. Request for clarification of insurance of/for officials at FEI events. **(Jean, please could you find out what the FEI offers!).**

10. Vets. Are vets included in the IEOC. **(Again, Jean! We can't see why not).** Some discussion as to whether there was room on NZ Technical for a Vet representative, even if it was a nominated person to use as a contact.

Chairman thanked everyone for their attendance.

Meeting closed at 5.20pm.
