Election of NZ Rep IEOC

Helen Christie

- Moved Susan O'Brien, seconded Graeme Smallwood, and carried.

General Business

- 1 Susan O'Brien has requested a list of current members from David Lee - to check who are current members and if membership is for a 'calendar' year! It is thought membership runs for a calendar year, some confusion when people paid in September as to which year it was for! Susan and Helen to work out the best way to get subscriptions paid.
(Due to some confusion, those present haven't been categorised into members and observers in minutes).
- 2 Meeting agreed to request that NZ representative to be on IEOC committee.
- 3 Follow up requested that insurance information for FEI officials should be issued similarly to FEI Riders Licence.
- 4 It has been reported that no FEI Eventing rules will be changed until 2009. It was suggested that plenty of notice be given as rule changes occur mid-season in Southern Hemisphere.
- 5 Jane Bennett to discuss with Brian Finch (re Scoring Programme) and showing correct recording of withdrawals, during a competition.

Meeting closed 4.35pm.
